

The background of the slide is a photograph of the Idaho State Capitol building. The building is a large, white, neoclassical structure with a prominent central dome. The dome is covered in intricate carvings and has a smaller, columned dome on top. The building is surrounded by a portico with many columns. An American flag is visible on a pole in front of the building. The sky is blue with some white clouds.

Idaho Water Users Association Infrastructure Funding: Laying the Foundation
